He's texting no technology in the warehouse no, no...

No technology in the warehouse, put that phone away
No technology in the warehouse, put that phone away
No texting in the warehouse (put that phone away)

You're done(I want my job back)
You're done, You're done(your done)
You're done(You're done) in Chicago, you're done...

No Itching (In the warehouse)
No Scratching (In the warehouse)
No Fucking (In the warehouse)
No Shitting (In the warehouse)

(In the warehouse)
No girlfriends in the warehouse get her out of here (No,
no)
No texting in the warehouse (No rim jobs) Put that
phone away
No girlfriend (In the warehouse)

This ain't the slow season
This ain't the slow season
This is the slow season
This ain't the slow season
(No technology in the warehouse)
This is the slow season
