The life I've always wanted
I guess I'll never have
I'll be working for someone else
Until I'm in my grave
I'll be dreaming of a life of ease
And mountains
Oh mountains o' things

To have a big expensive car
Drag my furs on the ground
And have a maid that I can tell
To bring my anything
Everyone will look at my with envy and greed
I'll revel in their attention
And mountains
Oh mountains o' things

Sweet lazy life
Champagne and caviar
I hope you'll come and find me
Cause you know who we are
Those who deserve the best in life
And know what money's worth
And those whose sole misfortune
Was having mountains o' nothings at birth
Oh they tell my
There's still time to save my soul
They tell my
Renounce all
Renounce all those material things you gained by
Exploiting other human beings

Consume more than you need
This is a dream
Make your pauper
Or make you queen
I won't die lonely
I'll have a prearranged
A grave that's deep and wide enough
For my and my mountains o' things

Mostly I feel lonely

Good good people are
good people are only
My stepping stones
It's gonna take all my mountains o' things
To surround me
Keep all my enemies away
Keep my sadness and loneliness at bay

I'll be dreaming
dreaming
dreaming...
