The whole world's broke and it ain't worth fixing It's
time to start all
over make a new beginning There's too much pain too
much suffering Let's
resolve to start all over make a new beginning Now
don't get me wrong I
love life and living But when you wake up and look
around at everything
that's going down all wrong you see we need to
change it now this world
with too few happy endings We can resolve to start all
over make a new
beginning Start all over Start all over Start all over Start
all
over The world is broken into fragments and pieces
that once were joined
together in a unified whole But now too many stand
alone There's too
much separation We can resolve to come together in
the new beginning
Start all over Start all over Start all over Start all over
We can

break the cycle We can break the chain
We can start all over In the new beginning We can learn
We can teach We
can share the myths the dream the prayer
The notion that we can do better Change our lives and
paths Create a new
world And start all over The whole world's broke and it
ain't worth
fixing It's time to start all over make a new beginning
There's too much
fighting too little understanding It's time to stop and
start all over
Make a new beginning Start all over Start all over Start
all over Start
all over We need to make new symbols Make new signs
Make a new language
With these we'll redefine the world And start all over
Start all over
Start all over Start all over...
