Cold wind blows  
Shivers loose  
Hard rain  
To my skin soaked through  
So over in love with you  
I don't even care

Sky turns grey  
Black and blue  
Fall on me  
I can't be moved

So over in love with you  
I don't even care

Hot sun shines  
And lays bare  
Shadows cross cut  
Heavy air

So over in love with you  
I don't even care

The tide that washes in and out  
Reveals a heart  
And face worn new

So over in love with you  
I don't even care

I don't even care  
I don't even care  
I don't even care
