Don't you know  
They're talkin' about a revolution  
It sounds like whisper  
Don't you know  
They're talkin' about a revolution  
It sounds like whisper

While they're standing in the welfare lines  
Crying at the doorsteps of those armies of salvation  
Wasting time in the unemployment lines  
Sitting around waiting for a promotion

Poor people gonna rise up  
And get their share  
Poor people gonna rise up  
And take what's theirs

Don't you know  
You better run...  
Oh I said you better  
Run  
run  
run...
