If you wait for me  
Then I'll come for you  
Although I've travelled far  
I always hold a place for you  
In my heart  
If you think of me  
If you miss me once in a while  
Then I'll return to you  
I'll return and fill that space in your heart  
Chorus-  
Remembering your touch  
Your kiss  
Your warm embrace  
I'll find my way  
Back to you  
If you'll be waiting  
2nd verse-  
If you dream of me  
Like I dream of you  
In a place that's warm and dark  
In a place where I can feel

The beating of your heart  
(chorus)  
I've longed for you  
And I have desired  
To see your face your smile  
To be with you wherever you are  
(chorus)  
3rd verse-  
Please say you'll be waiting  
Together again  
It would feel so good to be in your arms  
Where all my journeys end  
If you make a promise  
If it's one that you can keep  
I vow to come for you  
If you wait for me  
And say you'll hold  
A place for me  
In your heart
