If you wait for me
Then I'll come for you
Although I've traveled far
I always hold a place for you in my heart

If you think of me
If you miss me once in a while
then I'll return to you
I'll return and fill that space in your heart

Remembering your touch
Your kiss
Your warm embrace
I'll find my way back to you
If you'll be waiting

If you dream of me
Like I dream of you
In a place that's warm and dark
In a place where I can feel the beating of your heart

remembering your touch
Your kiss
Your warm embrace
I'll find my way back to you
If you'll be waiting

Oh I long for you
And I have desired
To see your face your smile
To be with you where ever you are

Remembering your touch
Your kiss
Your warm embrace
I'll find my way back to you
Please say you'll be waiting

Together again
It would feel so good to be
In your arms

Where all my journies end
You can make a promise
If it's one that you can keep
I vow to come for you
If you wait for me

Say you hold a place for me in your heart
