chorus

I've been having dreams and visions  
in them you are always standing  
right beside me

I reach out for your hand  
to see your arms extending  
outstretched towards me

For you I don the veil  
By your light  
others pale by comparison  
I place my faith in love  
My fate in this communion

chorus

To you I give my pledge  
to honor all that's good  
in this life we're living  
to think not only of myself  
but of the greater union

Can I get a witness  
there is salvation and rapture for the lonely  
can I get a witness  
bless this day sacred and holy  
sacred and holy

chorus

With you I am revealed  
all my shame all my faults and my virtues  
behold body mind and spirit  
heart and soul devoted all to you

Can I get a witness

there is salvation and rapture for the lonely  
can I get a witness  
bless this day sacred and holy  
sacred and holy
