Some say you're crazy
Say that your no good
Say your family's cursed with bad blood
I think you're cute and misunderstood
I wouldnt change you if i could

Let them talk you down
And call you names
My minds made up it ain't going to change
Im sure in my heart,
happy and free
You're the one,
You're the one,
You're the one for me

Some say you're bitter
Think your mean
Uncouth, untamed and unrestrained
I think your sensitive and sweet
Stay as you are
Dont change a thing

Some say your body, wicked and wild
Restless, useless to the nine

But i think youre funny and i like you smile
Want to be with you,
Want you to stay a while

A no count, mixed up, amount to nothing
A day away from a bum on the street
Some low class kind of royalty
That's what they say about you
when they're talking to me

Some say your bad, a bad bad seed
You love to play with fire
You love gambling
But i know what you love
And i know what you need
And i like it when you play with me

Im sure in my heart,
Happy and free
You're the one,
You're the one,
You're the one for me.
