To me it seems you've lost your steam  
Your steam it seems you've lost it, lost it  
Demons haunt your thinking, freedom gone  
And all exhausted (exhausted)  
Dreaming dreams of fortune, all your deeds  
Are impromptu and not in sync with laws  
And warnings never heeded while you block them  
Marching forth and choosing what to keep and what to  
leave  
Consistently you're falling, all or nothing  
Please let me tweak it out, I think I'm on to  
something  
Now you're beat to pieces and the pieces and the  
parts are busted  
All your greatest thinking got you sinking in the rotten  
gutter  
Now it's nothing left, but everything to gain,  
No options, so you walk the narrow steps to the  
domains  
That have been calling soldier  
All of the resistance kept you out from what is within  
If you follow it, it rises from inside ya up and over, ALL  
IN!

Spent half my life on a search for nothin'  
I came up with somethin'  
It's on again!  
I found myself by the river and jumped in!  
It's all or nothing, gotta be all in  
Be all in, gotta be all in, be all in  
Yeah it's all or nothing!  
Be all in, gotta be all in, be all in  
Yeah it's all or nothing  
(REPEAT)

To make me feel right  
Give me wealth and real life  
And then mix it together like popcorn and butter right  
Order the Tapatio, sit and I talk to Rio  
Listening to music like that old Innercity Griots  
Pretty females all in my life

Yup, thatâ€™s how it had to be so now I call one my  
wife  
Give me my order organic  
I need my border Hispanic  
I mean I love it in Cali  
But out in Maui itâ€™s woww-wee  
So, somebody get me a ticket  
No need for packing a biscuit  
I want more laughing and giggling  
Need more passion and wisdom  
Give some and take some  
I donâ€™t want no fake ones  
If I need new friends then Iâ€™ll make some

Spent half my life on a search for nothinâ€™  
I came up with somethinâ€™  
Itâ€™s on again!  
I found myself by the river and jumped in!  
Itâ€™s all or nothing, gotta be all in  
Be all in, gotta be all in, be all in  
Yeah itâ€™s all or nothing!  
Be all in, gotta be all in, be all in  
Yeah itâ€™s all or nothing  
(REPEAT TWICE)

Put your hands up high when I step on stage  
God to my side microphone on blaze  
Wanna be on point, brand new white shoes  
Need to be in the cut, cause I paid my dues  
Need to hear good news, when I make moves  
Need to make music if I wanna eat food  
Need to make a meeting if I wanna stay clean  
Donâ€™t wanna be a dope fiend  
Keeping that beam up, on the back of my neck  
When I trek with a team on the road that be acting a  
wreck  
Need a book full of hope and a bag full of tools  
Combat the demons that sleep in my shoes  
Need a pad and a pen to release all the pain  
At it again, playin' the game, not staying the same  
Changing the patterns of thought on a man  
Cause Iâ€™m all in

Itâ€™s all or nothing baby  
Itâ€™s never, ever maybe  
You think I might be crazy  
But I gotta be all in!  
(REPEAT)

Itâ€™s all or nothing baby  
Itâ€™s never, ever maybe

You think I might be crazy  
But I gotta be all in!  
(REPEAT)

Spent half my life on a search for nothin'™  
I came up with somethin'™  
It's™ on again!  
I found myself by the river and jumped in!  
It's™ all or nothing, gotta be all in  
Be all in, gotta be all in, be all in  
Yeah it's™ all or nothing!  
Be all in, gotta be all in, be all in  
Yeah it's™ all or nothing
