Love is a many, splendoured thing

Love, lifts us up where we belong

All you need is love

Please, don't start that again

All you need is love

A girl has got to eat

All you need is love

She'll end up on the streets

All you need is love

Love is just a game

I was ment for loving you baby

You were ment for loving me

The only way of loving me baby is to pay a lovely fee

Just one night give me just one night

There's no way

'Cause you can't pay

In the name of love

One night in the name of love

You crazy fool, I won't give in to you

Don't, leave me this way

I can't survive without your sweet love

Oh baby

Don't leave me this way

You'd think that people would have had enough of silly
love songs

I look around and I see, it isn't so

Oh no

Some people want to fill the world, with silly love songs

Well what's wrong with that

I'd like to know

'Cause here I go, again

Love lifts us up where we belong

Where eagles fly

On a mountain high

Love makes us act like we are fools

Throw our lives away, for one happy day

We could be heroes just for one day

You, you will be mean

No I won't

And I, I'll drink all the time

We should be lovers

We cant do that

We should be lovers

And that's a fact

Though nothing, will keep us together

We could steal time

Just for one day

We could be heroes forever and ever

We could be hereos, forever and ever

We could be hereos

Just because I.. will always love you

I can't help loving

how wonderful life is, now you're in the world
