My gift is my song

And this one's for you

And you can tell everybody that this is your song

It may be quite simple but now that it's done

I hope you don't mind, I hope you don't mind

That I put down in words

How wonderful life is now you're in the world

Sat on the roof and I kicked off the moss

Well some of these verses, well they, they got me quite
cross

But the sun's been kind while I wrote this song

It's for people like you that keep it turned on

So excuse me forgetting, but these things I do

You see I've forgotten if they're green or they're blue

Anyway the thing is, what I really mean

Yours are the sweetest eyes I've ever seen

And you can tell everybody that this is your song

It may be quite simple but now that it's done

I hope you don't mind, I hope you don't mind

That I put down in words

How wonderful life is now you're in the world

I hope you don't mind, I hope you don't mind

That I put down in words

How wonderful life is now you're in the world
