Christian]

My gift is my song and this one's for you

And you can tell everybody that this is your song

It may be quite simple but now it's done

I hope you don't mind, I hope you don't mind

That I put down in words

How wonderful life is now you're in the world

I sat on the roof, and I kicked off the mars

Well some of these verses, well they've,

They've got me quite cross

But the sun's been kind while I wrote the song

It's for people like you that, keep it turned on

So excuse me forgetting but these things I do

You see I've forgotten if they're green

Or they're blue

Anyway the thing is what I really love you

Yours are the sweetest eyes I've ever seen

[background chorus]

And you can tell everybody

That this is your song

It may be quite simple but

Now that it's done

[Christian]

And you can tell everybody that this is your song

It may be quite simple but now it's done

I hope you don't mind, I hope you don't mind

That I put down in words

How wonderful life is now you're in the world

I hope you don't mind, I hope you don't mind

That I put down in words

How wonderful life is now you're in the world
