Don't know where i'm going with this,
don't know if i want your kiss.
i need some reasuring
to know if i'm not dawning oohh

where should i go
i want to go home
the thoughts under my skin
are burning from within
i need your help
mybee morel support
all i know is
i'm burning from within

so i ask myself if ireally need you,
don't no if our love is really true.
All that gets me is that way of yours
more understanding of moral support.

where should i go
i want to go home
the thoughts under my skin
are burning from within
i need your help
mybee morel support
all i know is
i'm burning from within.

oohh i need you
is this reall
i need the truth
how do i feel.

where should i go
i want to go home
the thoughts under my skin
are burning from within
i need your help
mybee morel support
all i know is
i'm burning from within.

where should i go
i want to go home
the thoughts under my skin
are burning from within
i need your help
mybee morel support
all i know is
i'm burning from within.

oh i need you
oh is this true
oh i'm burning oh
ooooooooooooo
i'm burning from within.
