It's been thirty days and fourteen hours
And I'm here still doing nothing on my own
So many time and effort I have put to waste
Cause I don't even see you appreciate it

And I am waitin' waitin' waitin' here for you
I am waitin' waitin' waitin' just for you

Time keeps on tickin' and i don't even see you moving
It's burning up all the patience inside me
I'm sick of listening to your bullshh!
I don't wanna say those words but you make me wanna
do something worse

Cause I've been waitin' waitin' waitin' here for you
I am waitin' waitin' waitin' here for you
I'm here waitin' waitin' waitin' just for you
Time is runnning out
You're giving me so much doubt
Tell me what to do cause I feel so jaded
Waiting on you!
Waiting on you!

Time is running out
You're giving me so much doubt
You make me realize you're a waste of time

Cause I've been waitin' waitin' waitin' here for you
I am waitin' waitin' waitin' here for you
I'm here waitin' waitin' waitin' just for you

But time is running out
You're giving me so much doubt
I've had enough of waitin' here for you
I'm leaving you!
i'm leaving you!

Enough of waitin' waitin' waitin'
Enough of waitin' waitin' waitin'

I'm leaving you! (waitin' waitin waitin')

I'm leaving you (waitin' waitin' waitin')

Leaving you...
I'm leaving you
