It's undeniable that we should be together  
It's unbelievable, how I used to say that I'd fall never  
The basis is need to know  
If you just don't know how I feel  
Then let me show you that now I'm for real  
If all the things in time, time will reveal  
Yeah

1 - One, you're like a dream come true  
Two, just wanna be with you  
Three, girl it's plain to see  
That you're the only one for me and  
Four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one

(Yeah)  
It's so incredible, the way things work themselves out  
And all emotional, once you know what it's all about,  
hey  
And undesirable, for us to be apart  
I never would've made it very far  
'Cause you know you got the keys to my heart  
'Cause...

Repeat 1

Say farewell to the dark of night  
I see the coming of the sun  
I feel like a little child, whose life has just begun  
You came and breathed new life into this lonely heart  
of mine  
You threw out the life line  
Just in the nick of time

Repeat 1 to fade
