uh huh, uh huh, uh huh, uh huh,.....
Could it be that I can't stand to be alone
This long distance has us livin' on the phone
Ever since you've been away
I just can't get thru a day
Girl I just can't wait to have you here at home (oh baby)
Chorus:
Everytime, we say goodbye boo, oh baby
I, don't want you to go (oh yeah)
Everytime, we say goodbye boo
I, don't want you to go
Sometimes I only get to see you for a day
If thats all I can get then thats what I'll take
Soon I know the day will come
That you and I will be as one
But right now the thing gets so hard to say
Chorus:
Everytime, we say goodbye boo (everytime baby)
I, don't want you to go (don't want you to go)
Everytime, we say goodbye boo, (we say goodbye baby)
I, don't want you to go (ooh ooh)
uh huh, uh huh, uh huh.....
Chorus:
Everytime, we say goodbye boo (we say goodbye)
I, don't want you to go (don't want you to go)
Everytime, we say goodbye boo
I, don't want you to go (don't want you to go)
Hey, hey (simultaneously with chorus)
Shall we make love just one more time
You'll see forever
This is the last and final time
Good bye
Don't want you to go
Chorus:
Everytime, we say goodbye boo
I, don't want you to go
Everytime, we say goodbye boo
I, don't want you to go
Repeat and fade
