Ooh  
Thinking back when we first met  
I remember what you said  
You said you'd never leave me, yeah  
I let go a while of you hand  
Built my castle in the sand  
But now I'm reaching out again  
And I'm not letting you go till you

Hold me, mold me  
Sometimes I feel so all alone, hmm  
See I gotta find my way back home  
So why don't you  
Shape me, make me, wash me whiter than the snow  
I gotta find my way back home

Master upon my knees I pray  
I just wanna be the clay  
Hmm put your arms around me, yeah  
Place my life in your hands  
Lord I know I'm just a man  
Know you understand  
This time I'm not letting go, till you

Anoint me, appoint me  
Sometimes I feel so all alone, oh  
See I gotta find my way back home  
So why don't you  
Chastise me, baptize me  
Wash me whiter than the snow  
I gotta find my way

Cause I'm lost and alone  
I've been wandering long enough to know  
Humbly I search for you  
And I'm not gonna rest till you

Choose me, use me  
Sometimes I feel so all alone  
I'm am on my way back home  
So why don't you

Direct me, bless me  
Wash me whiter than the snow  
I am on my way back home
