Baby I saw you standing all alone  
In the moonlight, wishing as I may  
And I might have just one night with you, pretty mama  
Showdown, not ready but willing  
To slow down, cause I want to please you  
I'll be around, after the lovin' is through

But if we move too fast  
Will we wake up being strangers  
We've got time, let it pass  
Cause how will we know  
How far it will go, will it end

Chorus:

I couldn't say I love you tomorrow  
It's too big a chance to take  
Cause I'd be afraid you'd love me tomorrow  
It's too big a move to make  
We'd be makin' a big mistake

Don't get me wrong, cause I want you  
More than you know, but let me get to know you  
Make my heart show what my feelings show  
Then I'll closer to you  
But I'm just so helpless against your touch  
I'm defenseless, you're making me weak  
But I've got to be strong  
If right by you, I'm gonna do

But if we move too fast  
Will we wake up being strangers  
We've got time, let it pass  
Cause how will we know  
How far it will go, will it end

Chorus

But if we move too fast  
Will we wake up being strangers  
We've got time, let it pass  
Cause how will we know

How far it will go, will it end

I couldn't say I love you tomorrow  
Cause I'd be afraid you'd love me tomorrow  
(I wanna do right by you baby)  
It's too big a move to make  
We'd be makin' a big mistake

Chorus

I couldn't say I love you tomorrow  
It's too big a move to make  
Cause I'd be afraid you'd love me tomorrow  
It's too big a chance to take We'd be makin' a big  
mistake
