Chorus:

It's Christmas, give love 'till there's peace
'Til there's more than enough
It's Christmas, give love
It's all about love
Yea, yea, yea

Brian Jr.:

Today I saw a man on the street yea, yea
He was cold, he was tired
And there were no shoes on his feet yea, yea
He said can you spare a dime
It won't take you much time
'Til I can get back up on my feet
I look to heaven and pray
Day after day
I'm just trying to get something to eat

Chorus

Brian:

And what about the woman
Who walks the night alone
With no place to sleep yea, yea
And what about the child
With a broken heart
Through teary eyes that can't really see
All they need is a hand
Someone who understands
To listen to the cry that they make
Instead of walking on by
Take a look into their eyes
And help somebody find their way

Chorus

Brian Jr.:

Just open your heart
'Cause there's someone out there
Who's needing you now

Brian:
A little love
Is something that can't be replaced
Put a smile on each face
Some how, right now

On this holiday
I don't care what people say
Put their weight upon my shoulders

Brian Jr. & Niko sing chorus as Brian sings:

God so loved the world
That he gave his only son Not just for me Not just for
you For everyone
