First, first time I looked into your eyes  
I saw heaven, oh, heaven in your eyes  
Everything I did before you, wasn't worth my while  
It should've been you all the time  
I do anything, and everything to please you  
You know how much I need you  
You're always, always, on my mind

You're more than wonderful  
More than amazing  
Irreplaceable, love, love, in my life  
You're so incredible, here in these arms tonight  
The irreplaceable, love, love, of my life

Always, seems like reality  
Forever, don't seem so far away  
All I wanna do, all I wanna feel, all I wanna be is close to  
you  
Everyday, is my lucky day  
All I wanna do, is love you  
I place no one above you  
I'll tell you why

You're more than wonderful  
More than amazing  
The irreplaceable, love, love, in my life  
You're so incredible, here in these arms tonight  
The irreplaceable, love, love, of my life

Baby you know, you know you're my one and only  
(All I wanna do is be together)  
Sugar you know, I'll never leave you lonely  
In your eyes, in your eyes I see forever  
Ahhhh, ohhhh, ohhh, ohhhhh,  
Ahhhhh, ohhhhhh, ohhhh,

You're more than wonderful  
More than amazing  
The irreplaceable, love, love, in my life  
You're so incredible, here in these arms tonight  
The irreplaceable, love, love, of my life
