I have been so far away  
Counting the times until today  
So long I have wanted a chance  
When I could spend some time with you  
Just with you

You are growing so very fast  
And I know I'm always the very last  
To help you with a problem  
To kiss your hurt if you should happen to fall down  
Fall down

But when I'm gone  
I need you here to carry on  
My son, I know you will be strong  
Like a burning flame, you're my claim  
That's why you've got my name  
And just to show  
Come what may I love you so  
And there will come a day  
When all that's mine is yours  
To take good care of you and yours, I swear  
And this is my prayer  
Oh Lord, this is my prayer
