Oh, I want to be yours.....

Heart of mine, I'm sure you'll agree  
We've never been in love before, honestly  
I think she's the one  
The lady for me  
I know she feels the same way sincerely  
Girl you're the on my mind always  
Come feel my nights and my days  
You make me so crazy  
Darlin' you know I wanna

Chorus:

I want to be yours  
I long to be forever yours  
I want to be yours  
I want to be yours

Every night I go to sleep  
I wantcha layin' next to me-truthfully  
I need ya by my side  
To take care of me, I'm on my hands and knees girl  
Come on  
And show me the way to your heart  
Don't make me wait forever  
Now that you know I wanna

Chorus 2x

Bridge:

Oh yeah I'll be right there  
Whenever you call me  
I'll be there...just call and I'll come running  
I'll be there...Whenever you need me I'll be there
