Length of a commercial break
Length of a cigarette break
Length of a complete break with reality
Oh you'll see
You'll see

Break of a wave
Break of a heart
Break of a full stop
Break it down and tear it apart

Wave of a sound
Wave of goodbye
Wave of 300 feet
Way up in the sky

Silence of sight
Silence of pain
Silence of a scared little boy
Cause nobody explained

There's a wave out
There's a wave in
Catch one and ride it
Like a dolphin

Wave of a sound
Wave of goodbye
Wave of 300 feet
Way up in the sky

Silence of sight
Silence of pain
Silence of a scared little boy
Cause nobody explained

There's a wave out
There's a wave in
Catch one and ride it
Like a dolphin
