Adia, I do believe I failed you  
Adia, I know I've let you down  
Don't you know I tried so hard to love you in my way  
It's easy, let it go

Adia, I'm empty since you left me  
Tryin' to find a way to carry on  
I search myself and everyone to see where we went  
wrong  
There's no one left to finger  
There's no one here to blame  
There's no one left to talk to, honey, and there ain't no  
one to buy our innocence

'Cause we are born innocent  
Believe me, Adia, we are still innocent  
It's easy, we all falter  
But does it matter?

Adia, I thought that we could make it  
I know I can't change the way you feel  
I leave you with your misery, a friend who won't betray  
I pull you from your tower, I take away your pain  
And show you all the beauty you possess  
If you'd only let yourself believe

That we are born innocent  
Believe me, Adia, we are still innocent  
It's easy, we all falter  
But does it matter?

Ba ba ba  
Ba ba ba ba ba ba ba

We are born innocent  
Believe me, Adia, we are still innocent  
It's easy, we all falter  
Does it matter?

Believe me, Adia  
We are still innocent

'Cause we are born innocent  
Oooh, Adia, we are still  
It's easy, we all falter  
But does it matter?

- Thank you very much.
