You spend all your time waiting for that second chance
For a break that would make it OK
There's always some reason to feel not good enough
And it's hard at the end of the day

I need some distraction, oh, beautiful release
Memory seep from my veins
Let me be empty, oh, and weightless
And maybe I'll find some peace tonight

In the arms of the angel
Fly away from here
From this dark cold hotel room
And the endlessness that you fear

You are pulled from the wreckage
Of your silent reverie
You're in the arms of the angel
May you find some comfort here

You're so tired of the straight line, and everywhere you
turn
There's vultures and thieves at your back
The storm keeps on twisting, you keep on building the
lies
That you make up for all that you lack

It don't make no difference
Escaping one last time, it's easier to believe
In this sweet madness, oh, this glorious sadness
That brings me to my knees

In the arms of the angel
Fly away from here
From this dark cold hotel room
And the endlessness that you fear

Oh, you are pulled from the wreckage
Of your silent reverie
You're in the arms of the angel
May you find some comfort here

In the arms of the angel
May you find some comfort here
Oooh, oooh

Ooooooh

- Thank you very much. Take care! Goodnight, and see
you soon...
