"Blue"

Blue, songs are like tattoos
You know I've been to sea before
Crown and anchor me
Or let me sail away
Blue, here is a song for you
Ink on a pin
Underneath the skin
An empty space to fill in
Well there's so many sinking now
You've got to keep thinking
We can make it through these waves
Acid, booze, and ass
Needles, guns, and grass
Lots of laughs, lots of laughs
Well everybody's saying that hell's the hippest way to
go
Well I don't think so
But I'm gonna take a look around it though
Blue, I love you.
Blue, here is a shell for you
Inside you'll hear a sigh
A foggy lullaby
Here is my song from me.
