You come out at night, that's when the energy comes  
And the dark sides light and the vampires roam  
You strut your rasta wear and your suicide poem  
And a cross from a faith that died before Jesus came

You're building a mystery, oh

You live in a church where you sleep with voodoo dolls  
And you won't give up the search for the ghosts in the  
halls  
You wear sandals in the snow and a smile that won't  
wash away  
Can you look out the window without your shadow  
getting in the way?

You're so beautiful  
With an edge and a charm  
But so careful  
When I'm in your arms

'Cause you're working, building a mystery  
Holding on and holding it in  
Oh yeah, you're working, building a mystery  
And choosing so carefully

You woke up, screaming aloud, a prayer from your  
secret god  
You feed off our fears and hold back your tears, oh  
You give us a tantrum and a know-it-all grin  
Just when we need one, when the evening's thin, oh

You're so beautiful  
A beautiful fucked up man  
You're setting up your  
Razor wire shrine

'Cause you're working, building a mystery  
Holding on and holding it in  
Oh yeah, you're working, building a mystery  
And choosing so carefully

Oooh, you're working, building a mystery  
Say you're holding on and holding it in  
Yeah, you're working, building a mystery  
And choosing so carefully

Yeah, you're working, building a mystery  
Holding on and holding it in  
Yeah, you're working, building a mystery  
And choosing so carefully, oh

You're building a mystery
