When we wore a heart of stone we wandered to the sea
Hoping to find some comfort there yearning to feel
free

And we were mesmerized by the lull of the night and
the smells that filled the air
And we layed us down on sandy ground it was cold but
we didn't care

CHORUS

And we were drawn to the rhythm
Drawn to the rhythm of the sea
And we were drawn to the rhythm
Drawn to the rhythm of the sea
We fell asleep and began to dream when something
broke the night
Memories stirred inside of us the struggle and the fight
And we could feel the heat of a thousand voices telling
us which way to go
And we cried out is there no escape from the words
that plague us so

CHORUS

In the still and silent dawn another day is born
Washed up by the tireless waves the body bent and
torn
When you wake in the face of the blinding sun and you
search only to find
That heaven is a stranger place than what you've left
behind

CHORUS
