"Ice Cream"

Your love
is better than ice cream.
Better than anything else that I've tried
and your love
is better than ice cream
everyone here know how to fight

and it's a long way down
it's a long way down
it's a long way
down to the place where we started from.

Your love
is better than chocolate
better than anything else that I've tried
and oh love is better than chocolate.
Everyone here knows how to cry

and it's a long way down
it's a long way down
it's a long way
down to the place where we started from.
