Doesn't mean much, doesn't mean anything at all  
The life I've left behind me is a cold room  
Crossed the last line, from where I can't return  
Where every step I took in faith betrayed me  
And led me from my home

Sweet surrender  
Is all that I have to give

Take me in, no questions asked  
You strip away the ugliness that surrounds me (oooh)  
Are you an angel, am I already that gone?  
I only hope that I won't disappoint you  
When I'm down here, on my knees (oooh)

Sweet surrender (surrender)  
Is all that I have to give (oooh)  
Sweet surrender (surrender)  
Is all that I have to give

Oh, I don't understand  
How, by the touch of your hand  
Oooh, I would be the one to fall  
Oooh, I miss the little things  
I miss the simple things about you  
Oh, I miss everything, everything about you

So it doesn't mean much, doesn't mean anything at all  
The life I've left behind me is a cold room (oooh)

Sweet surrender (surrender)  
Is all that I have to give (oooh)  
Sweet surrender (surrender)  
Is all that I have to give
