Cry Little sister

By McMann Gerald Lost boys sound track

Last fire will rise

Behind those eyes

Black house will rock

Blind boys don't lie

Immortal fear

That voice so clear

Through broken walls

That scream I hear

Cry little sister

Thou shall not fall

Come, come to your brother

Thou shall not die

Unchain me sister

Thou shall not fear

Love is with your brother

Thou shall not kill

Blue mascarade

Strangers look up

When will they learn

This loneliness?

Temptation heat

Beats like drum

Deep in your veins

I will not lie

Little sister

Thou shall not fall

Come, come to your brother

Thou shall not die

Unchain me sister

Thou shall not fear

Love is with your brother

Thou shall not kill

My shangrila

I cant forget

Why you were mine

I need you now

Cry little sister

Thou shall not fall

Come, come to your brother

Thou shall not die

Unchain me sister

Thou shall not fear

Love is with your brother

Thou shall not kill

Cry little sister

Thou shall not fall

Come come to your brother

Thou shall not die

Unchain mesister

Thou shall not fear

Love is with your brother

Thou shall not kill

Cry little sister

Thou shall not kill
