If my old truck was a horse  
I'd have to shoot it  
Lord the day my ship came in  
I was waiting for a train

Everytime I get a grip, I always lose it  
I can't find the sunshine for the rain  
And you know I'm always saying I'm sorry  
But you stand by me through it all

Seems everytime I make my mark  
Somebody paints the wall

Everytime I think I'm off and runnin  
I'm barely up to a crawl  
Everytime I get a leg up on the ladder of success  
I slip and fall

Like last week down at the factory  
I was up for a promotion

But the boss says little brother got the call

Seems everytime I make my mark  
Somebody paints the wall

Everytime I think I'm off and runnin  
I'm barely up to a crawl

Everytime I get a leg up  
On the ladder of success, I slip and fall

Like last week down at the factory  
I was up for a promotion  
But the boss says little brother got the call

Seems like everytime I make my mark  
Somebody paints the wall

Seems everytime I make my mark  
Somebody always paints the wall
