Lover please, please come back

Don't take a train comin' down the track

Don't, please don't, don't leave me

Don't leave me in misery

You would never hold me so near

You would never call me "Dear"

Dontcha know I'd die for you?

Now you're gone, that's what I'll do

Lover please, please come back

Don't take a train comin' down the track

Don't, please don't, don't leave me

Don't leave me in misery

All those stories, not too long

About a love that went all wrong

The girl left the boy, just as bad

Now she's gone, she's so sad

Lover please, please come back

Don't take a train comin' down the track

Don't, please don't, don't leave me

Don't leave me in misery

You would never hold me so near

You would never have called me "Dear"

Dontcha know I'd die for you?

Now you're gone, that's what I'll do

Lover please, please come back

Don't take a train comin' down the track

Don't, please don't, don't leave me

Don't leave me in misery
