A treasure of love, is fine

It's waiting for you, if your hear,ar,art isn't blind

A treasure of love, is not very far

It glows like fire and it shi-i-ines, like a star

It's stronger than diamonds and worth more than gold

This is a treasure that never grows old

The treasure of love is found on no chart

To find where it is just look in your heart

It's stronger than diamonds and worth more than gold

This is a treasure that never grows old

The treasure of love is found on no chart

To find where it is just lo-a-ook in your heart
