I awakened this morning, I was filled with despair

All my dreams turned to ashes and gone, oh yeah

As I looked at my life it was barren and bare

Without love I've had nothing at all

Without love I've had nothing

Without love I've had nothing at all

I have conquered the world

All but one thing did I have

Without love I've had nothing at all

Once I had a sweetheart who loved only me

There was nothing, oh that she would not give, oh no

But I was blind to her goodness and I could not see

That a heart without love cannot live

Without love I've had nothing

Without love I've had nothing at all

I have conquered the world

All but one thing did I have

Without love I've had nothing at all
