You say you wanna stay
No way, no way, no way
Go, you better go your own way
Hey, don't need you one more day
'Cause I'll be fine
Without you

Hey baby
Did you really think that I
Would take you back baby
All you ever did was lie

I don't want you in my life
And I don't need you by my side
So baby don't you even try

Time wasted
You never did me any good
Oh baby just face it
You never loved me like you should
I don't want you in my life
And I don't need you by my side
So baby don't you even try
