Everytime our eyes meet
This feelin' inside me
Is almost more than I can take
Baby when you touch me
I can feel how much you love me
And it just blows me away
I've never been this close to anyone, or anything
I can hear your thoughts
I can see your dreams

I don't know how you do what you do
I'm so in love with you
It just keeps gettin' better
I wanna spend the rest of my life
With you by my side
Forever and ever
Every little thing that you do
Baby I'm amazed by you

The smell of your skin
The taste of your kiss
The way you whisper, in the dark
Ooh, yeah
Your hair all around me
Baby you surround me
You touch every place in my heart
Oh, it feels like the first time, everytime
I wanna spend the whole night
In your eyes

I don't know how you do what you do
I'm so in love with you
It just keeps gettin' better
I wanna spend the rest of my life
With you by my side
Forever and ever
Every little thing that you do
Baby I'm amazed by you

I'm amazed by you, yeah

I don't know how you do what you do
I'm so in love with you
It just keeps gettin' better
I wanna spend the rest of my life
With you by my side
Forever and ever

I don't know how you do what you do
I'm so in love with you
It just keeps gettin' better
I wanna spend the rest of my life
With you by my side
Forever and ever
Every little thing that you do

Every little thing that you do
Baby I'm amazed...
