Just another broken heart, I miss you  
Just another last good bye, I kiss you  
I know, I know, I know, I know  
I know you're gone

Just another rainy day in heaven  
Just another stupid thing that happened  
I've tried, I've tried, I've tried  
I've tried to let you go

Just another lonely teardrop cried in vain  
(I'm gonna miss you, gonna miss you, gonna)  
Just another happy ending in the rain  
(I'm gonna miss you, gonna miss you, gonna)

Is it love, is it love  
Is there something in the air  
Is it love when I'm feeling  
That my life ain't fair

Is it love, is it love  
Is there something I should know  
Is it love when I have to let you  
Let you go, let go

Just another endless road without you  
Just another lonely dream about you  
I've cried, I've cried, I've cried, I've cried  
Now it's too late  
(Baby, baby)

Just another lonely teardrop cried in vain  
(I'm gonna miss you, gonna miss you, gonna)  
Just another happy ending in the rain  
(I'm gonna miss you, gonna miss you, gonna)

Is it love, is it love  
Is there something in the air  
Is it love when I'm feeling  
That my life ain't fair

Is it love, is it love

Is there something I should know  
Is it love when I have to let you  
Let you go, let go
