I wonder who you are
And if you feel alright
Oh can you hear me talking
My unborn little child
For your mother and me
Life won't be the same
I try to give my best for you
As loving as I can

[CHORUS]

Because you're all I have my child
You're my life my joy my pride
And when you need me I'll be there for you
Because you're all I have my child
You're my life my joy and you're my pride
My deepest love

I'll always be with you
I promise to
It's hard to realize
That everything will change
There'll be no day without you child
I feel a little strange
But your mother and me
Give all our love to you
We're looking foward to you babe
Oh God knows that we do

[Chorus]

Oh life will never be the same
This is more than just a game
I'll give you all the love I can

[Chorus]
