Kiggo Wellman :

"So go-go music is party music..."

Slice 'em on up,  
Slice 'em on up  
Slice 'em on up,  
Slice 'em on up

I'm gonna wind ya up  
Let me wind ya up  
I'm gonna wind ya up  
Let me wind ya up  
All the shorties in the house  
Gonna wind ya up  
Gonna wind ya up  
Now  
Let me wind ya up  
Let me wind ya up

See  
She was about seventeen  
Ooh  
Just young and fine, mmm  
She had the kind of Kisses  
That make you sad  
She liked to flirt with me  
Then act like she didn't know me  
When her friends came around  
But i didn't mind

Cuz when her friends weren't around  
Shorty and i  
We'd hang out real tight  
Just sit up and talk

But one night  
She wanted to see  
Just how far  
It could go  
Just how far  
I would go

Hahaha

Oh yeah

She couldn't Love me without shame

She only wanted me for one thing

But you can teach your boy to do that

Yeah

Can you Love me without shame?

I need you when i feel pain

Yeah

You like to mess around

I said ooh, baby babe

Baby baby

Trying to get up in your thing

I said ooh, baby babe

Baby baby

So young, you sweet thing

Now word had been gettin' around town

That shorty and i

We was a little bit more than just friends

And see

She really wasn't feelin' that

So she stopped calling me

Then one day i ran into her

She was hanging out with this young boy

That liked to take her out and buy her things

Yeah

And you know how we like material things

Yeah

And then she walked over

Licked her lips

And whispered in my ear

And she said,-acapo
