Hey Jenny May, are you coming out to play?  
I'm all alone and my daddy's gone away  
I'll be Jesse James and you'll be an Indian  
If we have a fight, I might even let you win  
Jenny May

Hey Jenny May, coming out to play?  
I'm all alone and my daddy's gone away  
Jenny May

If you wish, you'll get a silver dish  
If you hope, you'll get a skipping rope  
But if you cry, there'll be witches in the sky  
Jenny May

Hey Jenny May, coming out to play?  
I'm all alone and my daddy's gone away  
Jenny May

Hey Jenny May, are you coming out to play?  
I'm all alone and my daddy's gone away  
We won't play games in the rain  
If it rains, we'll come back home again

Hey Jenny May, coming out to play?  
I'm all alone and my daddy's gone away  
Jenny May

Hey Jenny May, coming out to play?  
I'm all alone and my daddy's gone away  
Jenny May  
I'm all alone and my daddy's gone away
