V1 Well I hear that you're doing well, You got the world
your spell

A Red Carpet Vixen are you; I'd do anything just to see
you smile

To sit and talk with you awhile, I'd stick to you like glue;
You're a red- hot mama no denying that, You're not too
skinny and you're not too fat, Oh what I wouldn't do for
you to love me true, Now what's the use in saying ?, It's
not a game i'm playing, Nicole Kidman this is what I ask
of you.....

C: Nicole ,will you marry me? I've got personality- You
know you won't be sorry; Oh how happy we'd be ,we'd
dance beneath the star lit tree; I've written out our
whole love story; A redhead standing 5'10, I'll be your
rooster if you be my hen; I can't deny a feeling this
strong; Well I may be insane, but I can't get you out of
my brain- Nicole won't you please marry me?

V2: Now I may not be handsome that is true, But you
can pretend I've got money too; We'll sail around the
world in my imaginary Yacht; Oh how I want you, can't
you see?, I can't believe your beauty; Oh God I really
think you're hot !; I'll sing silly love songs to your face;
Take you dancing all over the place; If this ain't love I
dont know what?s not----- Well I've got it bad for you;
Hey Mamma, you know its true, come and see just what
it is I've got-----
