When I walk the streets of this town;  
Everybody starts looking down;  
and they laugh, and they say I'll never amount  
to a damn; But I don't care what they say,  
I just let them stare anyway, and I know what  
goes around comes around.

C: No They Can't Keep Me Down, No They Can't Keep  
Me Down. I'm gonna write my name all over this  
stinkin' town, I'm gonna fight 'til I die , won't give a  
reason why, and I know what goes around comes  
around.

V2: In this world we often lie, we'll say anything to  
get by; And We'll cheat, and we'll steal and sometimes  
kill; But there is a judgement day, where everybody  
will have to pay- and until then I still got something  
to say

C: No They Can't Keep Me Down, No They Can't  
Keep Me Down. I'm gonna write my name all  
over this stinkin' town; I'm gonna fight 'til  
I die, won't give a reason why, and I know  
what goes around comes around.

REPEAT C

Tag: And I know.... that they won't.... Keep  
me down!
