Now I see the world as a candy store

With a cigarette smile, saying things you can't ignore

Like mommy I love you

Daddy I hate you

Brother I need you

lover hey fuck you

I can see everything, here with my third eye

Like the blue in the sky

If God is a Dj

If life is a dancefloor

Love is the rhythm

You are the music

If God is a Dj

If life is a dancefloor

You get what you're given

It's all how you use it

I've been the girl middle finger in the air

Unaffected by rumours, the truth, I don't care

So open your mouth and stick out your tongue

You might as well let go you can't go back what you've  
done

So find a new lifestyle

A new reason to smile

Look for Nirvana

Under the strobe lights

Sequins and sex dreams

You whisper to me

There's no reason to cry

If God is a DJ

If life is a dancefloor

Love is the rhythm

You are the music

If God is a DJ

If life is a dancefloor

You get what you're given

It's all how you use it

You take what you get and you get what you give

I say don't run from yourself, man that's no way to live

I've got a record in my bag you should give it a spin

Lift your hands in the air so that life can begin

If God is a DJ... if God...

Say if God is a DJ

If God... Then life is a dancefloor

Get your ass on the dancefloor now!

If God is a DJ

Life is a dancefloor

Love is the rhythm

You are the music

If God is a DJ

If life is a dancefloor

You get what you're given

It's all how you use it

If God is a DJ

If life is a dancefloor

Love is the rhythm

You are the music

If God is a DJ

If life is a dancefloor

You get what you're given

It's all how you use it
