The waterfall of life
Above the sands of time
I'll love you like a mountain
Above the countryside

The ocean breeze
It blows your hair, so free
The sky is makin' changes
Reflections to the sea

Do I love you much too much
Could I live without your touch
Is it right to feel the way
I feel about you
Do I mean so much to you
Do you feel the same way too
So I ask myself again
Over and over
Do I love you, love you, love you
Do I love you, love you, love you

The day is cloudin' over
Rain is fallin' free
I'll love you like a river
That flows out to the sea

The moonlight shines so silver
Fallin' on your face
The stars are changin' color
For love is in the air

Do I love you much too much
Could I live without your touch
Is it right to feel the way
I feel about you
Do I mean so much to you
Do you feel the same way too
So I ask myself again
Over and over
Do I love you, love you, love you
Do I love you, love you, love you

Do I love you much too much
Could I live without your touch
Is it right to feel the way
I feel about you
Do I mean so much to you
Do you feel the same way too
So I ask myself again
Over and over
Do I love you, love you, love you
Do I love you, love you, love you
