It's beginning to look a lot like Christmas  
Ev'rywhere you go;  
Take a look in the five-and-ten,  
glistening once again  
With candy canes and silver lanes aglow.  
It's beginning to look a lot like Christmas,  
Toys in ev'ry store,  
But the prettiest sight to see is the holly that will  
be  
On your own front door.

A pair of hopalong boots and a pistol that shoots  
Is the wish of Barney and Ben;  
Dolls that will talk and will go  
for a walk  
Is the hope of Janice and Jen;  
And Mom and Dad can hardly wait  
for school to start again.  
It's beginning to look a lot like Christmas  
Ev'rywhere you go;  
There's a tree in the Grand Hotel,  
one in the park as well,  
The sturdy kind that doesn't mind the snow.  
It's beginning to look a lot like Christmas;  
Soon the bells will start,  
And the thing that will make them ring is the carol  
that you sing  
Right within your heart.
