Loch Lomond

-traditional Scottish song from the late 1800's

By yon bonnie banks & by yon bonnie braes  
When the sun shines bright on Loch Lomond  
Where me & my true love were ever wont to be  
On the bonnie, bonnie banks of Loch Lomond

CHORUS

O you'll take the high road & I'll take the low road  
And I'll be in Scotland before you  
But me & my true love will never meet again  
On the bonnie, bonnie banks of Loch Lomond

I mind where we parted in yon shady glen  
On the steep, steep side of Ben Lomond  
Where in the deep purple hues the Highland hills we  
viewed  
And the moon coming out in the gloaming

The wee birdies sing and the wild flowers spring  
And in the sunshine the waters are sleeping  
But the broken heart will ken no second spring again  
And the world does not know how we're greeting by  
Robin Hood
