Sail along
silv'ry moon
trail along lovers lane

sail along
silv'ry moon
to my love again.

In the glow of your light
let me see her tonight

once again hold her tight back in lovers lane.
And then the whole world will see brighter

as we stroll hand in hand.
Two blue hearts will see lighter

you understand.

Sail along
silv'ry moon
trail along lovers lane

sail along
silv'ry moon
to my love again.
