Now welcom somer, with they sonne softe,
That hast this wintres weders over-shaker,
And driven away the longe nightes blake!

Seynt Valentyn, that art ful hy on lofte,
Thus singen smale foules for they sake.

Now welcom somer, with they sonne softe,
That hast this wintres weders over-shaker,
(And driven away the longe nightes blake!)

Wel han they cause for to gladen ofte,
Sith ech of hem recovered hath his make:
Ful blisful (may) they singen whan they wake.
